Milford High School

Milford, Texas

"We, the 1969 Class

dedicate the 1969 Bulldog

to our Parents,

and the

1969 Seniors."

Superintendent's Message

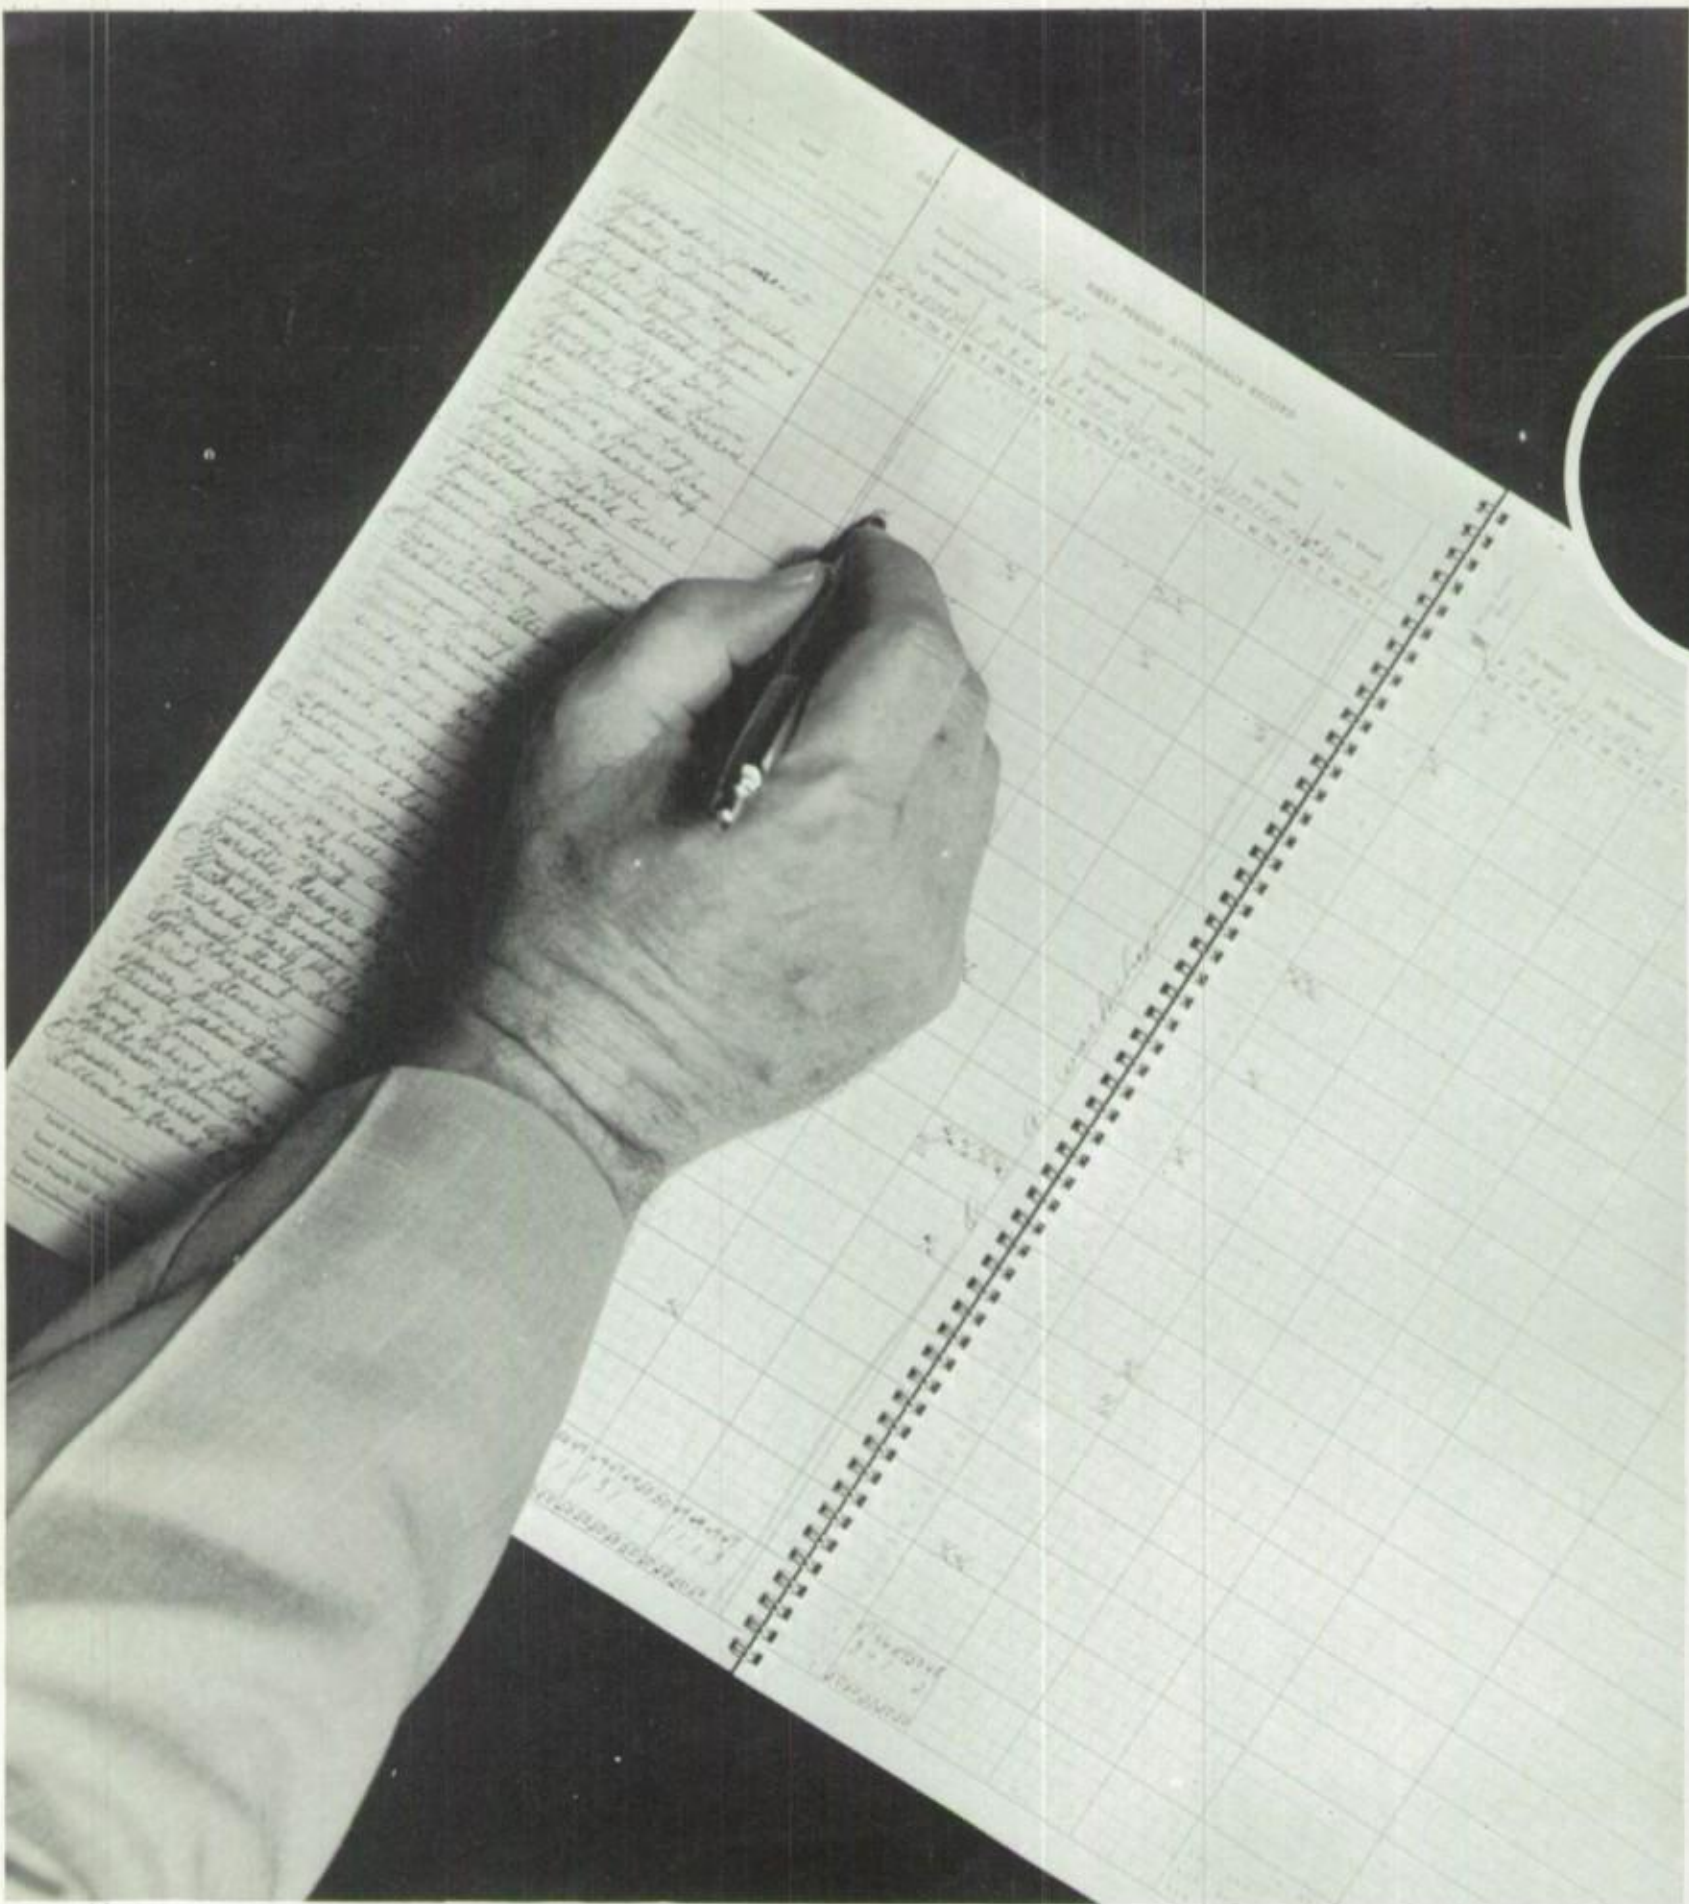

To the Class of '69:

I want to compliment you on your effort in putting out this fine annual. Your "hard work" has made this one of the very best. You know, perhaps "hard work" is the most important thing in living. A person has never gone very high up the ladder of success without it. This is what puts value on things and makes them worth something. I predict that each of you will never go hungry as long as you work hard and take pride in your accomplishments. Best wishes for success.

Sincerely,

Marvin W. Porter
